Questionnaire

Tell us about yourselves

Brogdale Collections provides public access to and information about the National Fruit Collection in Faversham, preserves heritage fruit trees at risk of destruction, and uses those trees to deliver practical educational, wellbeing, leisure and volunteering activities to the public.

Tell us about the Funds

- Has the project we helped to fund been completed? If so, how is it maintained?

Yes, the work funded has been completed, and the wider project is now being maintained with the aid of our volunteers and general revenue.

- If not completed yet, why not? Are plans in place to finalise the project?

- Did the funds provided by us prove adequate, or was there an over- or under-spend?

The funds were adequate and there was no over- or under-spend.

- How were any surplus funds used, or was further funding made available?

Tell us about the project

- Has the project been successful and well received by the beneficiaries?

Yes, beneficiaries have expressed particular enthusiasm for the beekeeping courses the project has facilitated.

www.ninevehtrust.org.uk

Are you satisfied with the outcome, or, with hindsight, would some modifications have been appropriate?

We are very satisfied with the outcome of the project. The only hiccups were due to events beyond our control (eg, temporary delays caused by coronavirus).

- Was funding for this project made available from any other sources?

Yes.

Feedback about us

- How did you find our own process of selection and payment?

Highly satisfactory.

- Have you considered providing us with an update on the activities for which our Trust provided the funding?

Yes; we are providing a detailed account of the project's progress with this questionnaire.

- Would you welcome a visit by our Trustees?

Yes.

- Have you any other comments?

Only to say thank you for your support, which has been a real help for us and our work.

- This questionnaire is part of our due diligence, obtaining feedback to help us, and we are grateful for your input – please return the questionnaire as soon as possible.
