Tell us about the Funds

- Has the project we helped to fund been completed? If so, how is it maintained?

Yes, the Secret Gardening project has been completed. We are going to continue with the project as it has been outstandingly successful for the outcomes for children. We are working to secure further funds.

- If not completed yet, why not? Are plans in place to finalise the project?

n/a

- Did the funds provided by us prove adequate, or was there an over- or under-spend?

The funds were adequate and supported the running of the Secret Gardening programme.

- How were any surplus funds used, or was further funding made available?

We had secured the balance prior to launching the programme. We had all funds necessary to run the project.

Tell us about the project

- Has the project been successful and well received by the beneficiaries?

Secret Gardening programme outcomes were outstanding. Having children get their fingers dirty in tandem, helped improve communication. There were 121 and group work to ensure the project facilitated space for all.

Are you satisfied with the outcome, or, with hindsight, would some modifications have been appropriate?

We are extremely pleased with the outcomes. The project was well planned, experienced trained staff in running gardening projects made the outcomes more powerful. The children gained gardening skills as well as many other skills in physical and emotional. The outcomes cascaded into the rest of their lives.

- Was funding for this project made available from any other sources?

Yes we had secured part funds from Santa Barbara Heights towards our programme.

Feedback about us

- How did you find our own process of selection and payment?

The process was average and not hard

- Have you considered providing us with an update on the activities for which our Trust provided the funding?

We always provide an update of project activities to our funders. So yes we were definitely planning in doing so.

- Would you welcome a visit by our Trustees?

Yes – of course

- Have you any other comments?

We appreciate the generous support from the Nineveh Trust. Especially during these precarious times when things are so difficult, we extend our thankfulness in helping us achieve our mission.
