

Good afternoon

As our project is now complete, I would like to give some feedback about how we spent your grant of £2000. Photographs of the outdoor classroom are attached.

We invited two local tradesmen to provide estimates for completing an overhaul to the existing structure. However, both condemned it as beyond repair and we therefore had to investigate the cost of a replacement.

Fortunately, we received a further grant of £5000 from the Medlock Trust towards the cost of a new building and this, when added to your grant, was sufficient to cover the costs of removing the old building and to rebuild the classroom and purchase some recycled benches to be used on the field.

We hope that your Trustees are satisfied that your generous grant was used in accordance with your guidelines.
