**Tell us about yourselves (Charity Name, Donation Amount and Date of Donation)**

Nineveh Charitable Trust donated £2,500 to the Bristol Avon Rivers Trust in March 2022 to help run our Riverfly Projects in the Bristol Avon catchment

**Tell us about the Funds**

- Has the project we helped to fund been completed? If so, how is it maintained?

We used the funds provided by the Nineveh Charitable Trust to deliver a Riverfly training course – consisting of an online theory training course and a practical session on the river Cam. Monitoring kit and ongoing support is provided to the volunteers.

If not completed yet, why not? Are plans in place to finalise the project?

N/A

- Did the funds provided by us prove adequate, or was there an over- or under-spend?

The funds provided by Nineveh were adequate to deliver the training course. We used additional funds from Revere, Co-op Local Causes, the Denman Charitable Trust and others to deliver further Riverfly work in the catchment.

- How were any surplus funds used, or was further funding made available?

See above

**Tell us about the project**

- Has the project been successful and well received by the beneficiaries?

Yes. The trainees were enthusiastic and very keen during the practical session. They gave excellent feedback and are beginning to set up new monitoring sites on their local rivers.

We are very satisfied with the outcome, we have new Riverfly sites being registered at the moment and we received excellent feedback from the trained monitors

- Was funding for this project made available from any other sources?

Not for the delivery of this Riverfly course but funding was made available from other sources for similar courses in the catchment and for additional Riverfly work.
