Questionnaire

Please note if you would prefer to write a report on your project with photos that is also acceptable.

Tell us about yourselves (Charity Name, Donation Amount and Date of Donation)

Whitstone School Forest School. Received £1000. May 2023

Tell us about the Funds

- Has the project we helped to fund been completed? If so, how is it maintained?

Forest School is an ongoing project. My short-term aims have absolutely been fulfilled by the grant – I successfully spent all the money on new kit for Forest School. We have got a new canopy installed, giving us more dry space, which has enabled us to get a workbench out of the garage and in use. The grant also paid for sensory swings, hammock suspension systems, cast iron cookware, flasks for hot chocolate, wool carders and crafting odds and ends for use during Forest School sessions. I have been able to expand the Forest School area and activities available, something we would not otherwise have been able to afford.

- If not completed yet, why not? Are plans in place to finalise the project?

- Did the funds provided by us prove adequate, or was there an over- or under-spend?

The funds were fully spent. I could have spent more – Forest School is an ever-developing area at Whitstone! For the time being, the money was a very welcome boost for us.

- How were any surplus funds used, or was further funding made available?

I have a Forest School budget for small ongoing costs, but I need to secure grants for big extras or large shopping lists.

Tell us about the project

- Has the project been successful and well received by the beneficiaries?

As a learner-led process, Forest School benefits from a wide variety of options for students to choose from. Our students are able to enjoy a broader Forest School experience now that I have expanded the area and activities on offer. They really love the new swings and hammocks in particular, and have been engaging in the new crafts with enthusiasm. The larger dry area means that we have more space to explore and play during our sessions – the canopy cost the majority of the budget and would have been totally out of our means without this grant.

-
- The Nineveh trust gets my sincerest thanks for choosing us to benefit from the money.

Are you satisfied with the outcome, or, with hindsight, would some modifications have been appropriate?

- Was funding for this project made available from any other sources?

Feedback about us

- How did you find our own process of selection and payment?

- Have you considered providing us with an update on the activities for which our Trust provided the funding?

- Would you welcome a visit by our Trustees?

- Have you any other comments?

This questionnaire is part of our due diligence, obtaining feedback to help us, and we are grateful for your input – please return the questionnaire as soon as possible. Please email all questionnaires and/or reports to sally@ninevehtrust.org.uk
